## Description

This beautiful Silver Plate Armada Dish is a classic and traditional piece of British Silver Design. This dish is based on the traditional dishes made in England since the Elizabethan Era and recreated in very good quality silver plate.

The dish has a simple, elegant design with a wide rim.

This dish is suitable for engraving on both the rim and the centre.

It is a beautiful & useful item in the home, and is often purchased to mark special occasions such as christenings and weddings.

Suitable as a prize or presentation piece, and is highly suitable to be engraved with a company logo or crest.
