Description

An elegant Whisky Silver Label with a simple, art deco inspired border. These label's are intended for hanging around the neck of a liquor bottle or a decanter to identify the contents.

This label is plain, without engraving, and so can be engraved to your taste, from an unusual type of drink, to names, dates and special occasions. They are often engraved instead of engraving the decanter itself.

The label is also available in Plain, Whisky, Gin, Brandy, Port & Vodka. Any other alcohol can be engraved on the label.
