

Sterling Silver Baby Loop Spoon finished - English Hallmarked

£144

REF: GT575

Height: 8.3 cm (3.3")

## Description

This solid silver baby loop spoon is designed as a commemorative keepsake piece with a traditional spoon form enhanced by a distinctive decorative loop detail. The compact proportions and smooth contours create an elegant object intended for christening, baptism, or nursery silver collections.

The simple balanced design allows the polished finish and refined silhouette to remain central to the piece, while the surface is suitable for optional engraving and personalised presentation.

Handcrafted in England from 925 English hallmarked sterling silver, this baby spoon is carefully formed and polished using traditional silversmithing techniques. The refined finish and decorative loop detailing reflect the heritage craftsmanship.
