

Solid Silver Polished Pendant

£150

REF: CL-PPP

Height: 4.5 cm (1.8")

Weight: 8 g

Description

This is a minimalist solid silver necklace featuring a delicate chain and a sleek, contemporary pendant design. The necklace has a polished, reflective finish and consists of two smooth, rounded silver elements - one larger bead positioned centrally and one smaller bead hanging below it on a short, fine chain extension.

The overall aesthetic is elegant and modern, suitable for both casual and formal wear. The Y-shaped drop adds a subtle sophistication, drawing attention to the neckline.
