Description

A beautifully crafted Italian-design featuring a polished teardrop shape suspended from a 45cm diamond-cut belcher chain. The pendant's smooth, high-shine finish and clean, rounded contours give it a refined and modern aesthetic, perfect for those who appreciate understated elegance. The diamond-cut belcher chain adds a subtle sparkle, enhancing the overall allure of the piece without overpowering the pendant's minimalist design. As a normal consequence of the electroforming process the pendant has a discreet 'vent' hole on the lower inside.
