

Silver & Wood 'Churn' Salt Mill / Salt Grinder

£192.50

REF: S023

Height: 95 cm (37.4")

Description

A Sterling Silver & Rose Wood Salt Mill designed to mirror the shape of an antique silver butter churn. This design has been popular since the Victorian era, and skilled silversmiths have worked hard to create a pepper mill that is both beautiful and practical. The interior of the Salt Grinder is fitted with a durable nylon mechanism, which is resistant to salt corrosion.

This item is can be purchased with a matching pepper mill.
