Description

A wonderful Art Deco Cut Glass & Solid Silver Mounted Fruit Bowl / Dish featuring a the kind of simple, elegant design that is so typical of the Art Deco period. The Glass of the Bowl is cut in a series of simple bands which are mirrored in the silver mount on the rim of the bowl. The simple classic elegance of this design make the bowl relevant to the modern era while retaining the magic of a great vintage item.

This Bowl is in very good condition and is hallmarked.
