

Sterling Silver Champagne Bottle Cufflinks With Gold Plated Detail

£278

Description

Sterling silver cufflinks designed in the form of champagne bottles, these cufflinks present a distinctive and celebratory motif. The combination of polished sterling silver and gold plated detailing creates contrast and visual interest, resulting in an expressive design.

The sculptural form captures the essence of celebration, making this piece a distinctive addition to formal attire.

Crafted in England from 925 sterling silver and bearing English hallmarks, these cufflinks are carefully hand finished with gold plated detailing to enhance the design. The construction ensures clarity in the form while maintaining durability and balance.
