Carr's Of Sheffield Ltd

Sold

REF: DD5-SS

Diameter: 12.7 cm (5")

Weight: 100 g

Description

This beautiful Sterling Silver Armada Dish is a classic and traditional piece of British Silverware. This dish is based on the traditional dishes made in England since the Elizabethan Era.

The dish has a simple, elegant design with a wide rim. The rim has a feature hallmark across the one side.

This dish is suitable for engraving on both the rim and the centre.

It is a beautiful & useful item in the home, and is often purchased to mark special occasions such as christenings and weddings.

Suitable as a prize or presentation piece.

Approx Weight: 100grms
