

3.75 inch Silver 'Churn' Peppermill / Pepper Grinder

£195

REF: P025

Height: 9.525 cm (3.8")

Description

A Sterling Silver & Ivorine (Faix Ivory) Pepper Mill designed to mirror the shape of an antique silver butter churn. This design has been popular since the Victorian era, and skilled silversmiths have worked hard to create a pepper mill that is both beautiful and practical. The interior of the Pepper Grinder is fitted with a durable metal mechanism.

This item is can be purchased with a matching pepper mill.
