Description

A gorgeous Antique Silver Plated and Wooden Jardiniere. The Jardiniere is essentially two separate trays - the interior one in a good quality silver plate and with two interior ring handles to make removing the tray easy. The exterior tray is created out of a medium brown wood with silver plated strapping on the corners.

While this tray was originally intended as a jardiniere, it would be gorgeous with decanters or wine bottle on a side board.

Made in the UK.
