

GEO. III GEORGIAN SET OF THREE SILVER CASTERS LONDON
1761 SUGAR SALT PEPPER

Sold

Description

A set of Three Georgian George III Solid Silver Casters. This set of cast Silver Sugar Casters are heavy gauge cast silver. The larger of the Casters is traditionally used for sugar while the smaller would be used for salt & pepper. These Casters are all a traditional baluster shape and each stands on a domed spread pedestal foot. The Fitted lids have pierced lids topped with a substantial finial.

Each Caster has a contemporary engraved crest showing the Arms of Deaden, Longcross House, Glamorgan.

Made in London.

Date - 1761.

Maker - Samuel Wood.

Height - Larger - 207mm

Height - Smaller - 177mm
